The zones indicated above correspond to the trash collection zones currently in effect. To facilitate the cleaning operations and ensure the safety of our operator, residents are encouraged to park their vehicles in their driveway, along the alley side, or in other non-curbed areas where parking is permitted. The City's sweeper truck must go around low hanging limbs to avoid damage to the vehicle. Remember do not sweep your leaves into the street. Either bag or compost your leaves. Residential yard waste pick-up is collected April through January with Friday pick up. Please refer to your trash collection schedule or call City Hall at 410-272-1600.
