

The City of Aberdeen  
Aberdeen, Maryland  
Public Works Department

## **Public Notice of Hydrant Flushing**

The City of Aberdeen Department of Public Works will be performing annual water main, hydrant flushing and flow testing throughout its water distribution system. Residents and Businesses may experience reduced water pressure, discolored water and possible sediment. While the water supply will remain safe to drink, should you experience discoloration, first remove the aerator from sink faucets and clean aerator, then flush in home plumbing with cold water until clear, reinstall aerators. The washing of laundry whites is discouraged until discoloration disappears. If problem continues, or if you have any questions, please call (410) 272- 2650 during the hours of 8:00 am to 4:00 pm.

The flushing schedule and region definitions are as follows:
